The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol $\rightarrow$ (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole $\rightarrow$ signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaires. Les diagrammes suivants illustrent la méthode.

The New Bible Commentary.

Nearly Ready, Vol. I. (to be continued at regular intervals), Medium 8vo.

THE HOLY BIBLE,

ACCORDING TO THE AUTHORIZED VERSION, A.D. 1611.,

WITH EXPLANATORY AND CRITICAL NOTES AND A
REVISION OF THE TRANSLATION.

By Bishops and Clergy of the Anglican Church.

VOL. I.—THE PENTATEUCH.

The want of a plain Explanatory Commentary on the Bible more complete and accurate than any now accessible to English readers has been long felt by men of education. In 1863 THE SPEAKER OF THE HOUSE OF COMMONS consulted some of the Bishops as to the best way of supplying the deficiency, and the ARCHBISHOP OF YORK undertook to organize a plan for producing such a work, by the co-operation of several Scholars selected for their Biblical learning.

The great object of such a Commentary must be to put the general reader in full possession of whatever information may be requisite to enable him to understand the Holy Scriptures, to give him, as far as possible, the same advantages as the Scholar, and to supply him with satisfactory answers to objections resting upon misrepresentation of the Text.

It has been decided to re-print, without alteration, the Authorized Version from the edition of 1611, with the marginal references and renderings; but the notes forming this Commentary will give amended translations of passages proved to be correct in our Version. The Comment will be chiefly explanatory, presenting, in a concise and readable form, the results of learned investigations, carried on in this and other countries during the last half century. When fuller discussions of difficult passages or important subjects are necessary, they will be placed at the end of the Chapter or of the Volume.

The plan of the work has been settled, and the writers have been appointed, under the sanction of a Committee consisting of:—

ARCHBISHOP OF CANTERBURY,
ARCHBISHOP OF YORK,
BISHOP OF LONDON,
BISHOP OF LLANDAFF,
BISHOP OF GLOUCESTER AND BRISTOL,

BISHOP OF CHESTER,
LORD LYTTLETON,
RIGHT HON. THE SPEAKER,
RIGHT HON. SPENCER WALPOLE,
DEAN OF LINCOLN.

The conduct of the work, as general Editor, has been entrusted to F. C. COOK, M.A., Canon of Exeter, Preacher at Lincoln's Inn, Examining Chaplain to the Bishop of London, and Chaplain in Ordinary to the Queen.

The ARCHBISHOP OF YORK, in consultation with the REGIUS PROFESSORS OF DIVINITY OF OXFORD AND CAMBRIDGE, advises with the general Editor upon questions arising during the progress of the work.

The work will be divided into Eight Sections. The following is the List of Contributors sanctioned by the Committee, which will be found on third page of Cover.
